BE THE CANVAS OF COLOUR

UNDERSTAND 6H Surface.

The "H" stands for the hardness on the pencil Hardness scale, so 6H indicates a level of scratch resistance equivalent to 6H pencil meaning it is highly resistance to scratches.

High Scratch Resistance : The "H" rating signifies the level of scratch resistance, with higher numbers indicating greater durability against scratches.

6H acrylic is considered to be a premium quality acrylic which is highly desired on some surfaces like furniture, cabinetry and kitchens

સમજો 6H સરફેસ એટલે શું?

"H" એ પેન્સિલ હાર્ડનેસ સ્કેલ પરની ક્રિનતાને દર્શાવે છે, એટલે કે 6H એ સ્ક્રેચ રેસિસ્ટન્સનું એવું સ્તર દર્શાવે છે જે 6H પેન્સિલની સમકક્ષ હોય છે – જે સ્ક્રેચ સામે ઉચ્ચ પ્રતિરોધ બતાવે છે.

ઉચ્ચ સ્ક્રેચ રેસિસ્ટન્સ : "H" રેટિંગ સ્ક્રેચ રેસિસ્ટન્સના સ્તરને દર્શાવે છે, જેમાં ઊંચી સંખ્યા વધુ ટકાઉપણું સૂચવે છે.

6H એક્રિલિકને પ્રીમિયમ ગુણવત્તાવાળી એક્રિલિક માનવામાં આવે છે, જેને ફર્નિચર, કેબિનેટ અને કિચન જેવી સપાટીઓ પર ખૂબ પસંદ કરવામાં આવે છે.

About COLLECTION

The universe has always been a source of endless inspiration, captivating humanity with its vastness, complexity, and stunning beauty. From the twinkling stars to the vibrant hues of galaxies, nature's breathtaking elements have inspired countless creatives.

Z-Acrylic Laminate draws inspiration from this natural brilliance to bring calm and modern sophistication to your interiors. Each design in the Z-Acrylic range is thoughtfully honed to reflect nature's finest elements. The serene shades of the ocean, the rich textures of forests, and the delicate beauty of flowers are all captured in our solid color selection.

For those who seek the charm of wood, our wooden surface range meets the warm elegance of deep texture. The mesmerizing sparkle of stars and galaxies is beautifully translated into our sparkle line. Blending the cosmic hues of nebulae with the richness of natural stone, our textures redefine the aesthetics of modern space.

Z-Acrylic combines natural inspiration with modern innovation to deliver laminates that are elegant, durable, and versatile. Whether your choice is warmth, elegance, or sophistication, Z-Acrylic's diverse range of designs offers the perfect solution for transforming your space.

ADVANTAGES OF PRODUCT

Can be processed with conventional wood working tools

Easy cleaning due to hand coat finish

Impact resistant and 10 times more durable than real glass

50% lighter than real glass

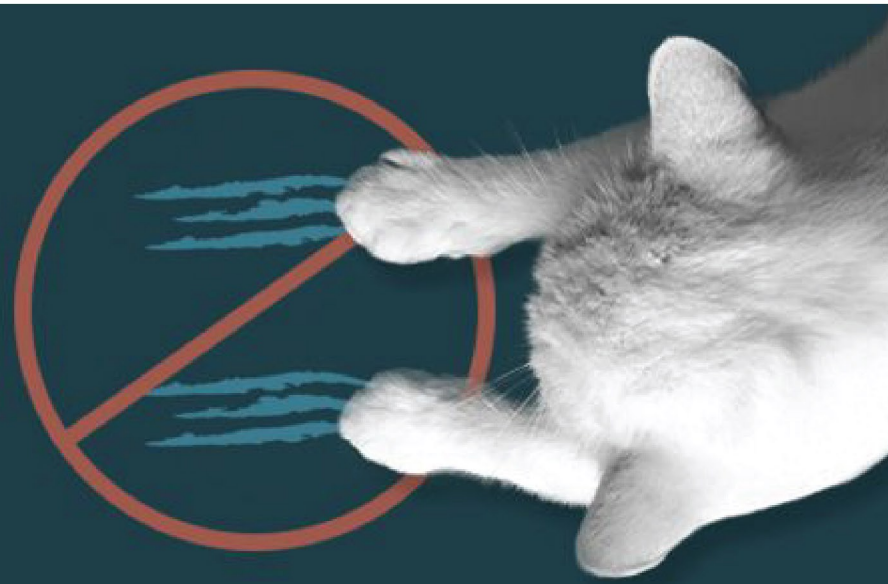

Colour and UV-stable

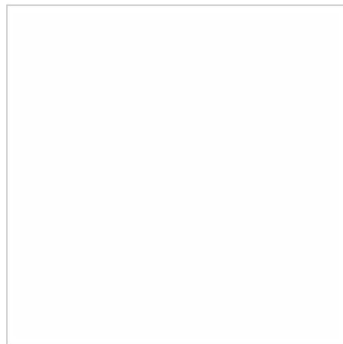

High scratch resistance due to its hard coat finish

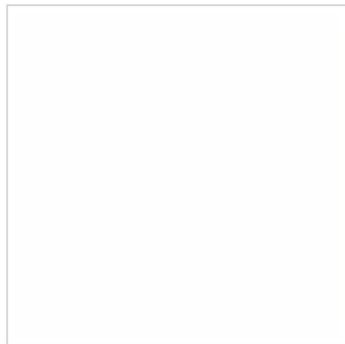

Defying Scratches with
6H SURFACE INNOVATION
